James Vine, Service Delivery Manager

1041 Great Street, Prince George, BC

V2N 2K8

Dear James,

On behalf of the tenants of Northern Health Home and Community Care, and our Wellness Program; we wish to extend a sincere thank you for your extremely generous efforts in providing the tenants with the ability to enjoy a most elegant summer garden party at the Falkner's, located on Bench Drive.

Your tremendous contribution for this year's senior's garden party has touched the hearts of so many. Our driver, Bob ensured the ride was most comfortable. He was very gracious, and attentive to the seniors, and they appreciated a most clean and comfortable coach.

The tenants and our Wellness Team recognize what a significant commitment and effort PWTransit have made to donate transportation to this wonderful event. Your generosity has made it possible for our seniors to know that they are thought of with kindness and warmth and in having the knowledge that they are so important to you means so very much.

PWTransit and its staff are valued and appreciated members of our community and are very generous contributors to our Wellness Program.

Please accept our deepest gratitude!

Best Regards,

Sherry Maher & Justine Armstrong, Wellness Coordinators

Susan Kragt, Wellness Supervisor

Northern Health Wellness Program
